REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:
2. Regarding claims 1, 26, and 30, the amendments to the claims appear to incorporate changes discussed in the telephone interview of 27 June 2006, particularly with respect to language that more clearly defines the function and structure of the main body portion. The prior art of record does not teach or render obvious a clock or clock kit having all of the features as claimed, including a main body portion, said main body portion interposed between a clock and a vertical mounting surface, said main body portion exhibiting sufficient flexibility to allow said main body portion to be manipulated into a rolled configuration.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Leo T. Hinze whose telephone number is (571) 272-2167. The examiner can normally be reached on M-F 8:00-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Judy Nguyen can be reached on (571) 272-2258. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
